Admissions

We are a non-profit child care provision offering a full wrap around service for children aged 3 – 11 years. We are registered with CIW and work with them to provide a high standard of care. We collect and drop children to and from various schools within Penarth and escort them safely to our premises where they take part in various activities. Our nursery Wraparound Club follows the Curriculum for Wales and our After School Club includes fun focused activities appropriate to children's ages and stages of development.
